2018 – 2019 Invitational Permission Form

Parents of Solon HS Science Olympiad members:

We are very excited to have your son or daughter participating in Solon High School Science Olympiad for the 2018 – 2019 season. This year, our team will be travelling to eight invitational tournaments and the regional tournament. All members of our club are eligible to compete at these nine "away" tournaments, although not every student will compete at each tournament. We have ~50 club members this year, and only 30 are allowed to participate per tournament. Please remember that *all* members *must* attend the Solon HS tournament on Saturday, 2/2/19 and bring a parent volunteer.

In advance of each tournament, our captains and coaches meet to build a schedule that determines which club members will participate at that upcoming competition. We try to rotate students fairly throughout the year to allow everyone to participate. If your son or daughter is available to attend at least six of our competitions, they will be selected to compete at least twice.

On the back of this page is a table of our tournaments, including estimated departure and return times. Please clearly indicate whether your son or daughter has your permission to attend each tournament by circling "yes" or "no." Then, sign on the line below to confirm your responses and permission. Saying your student has permission does not commit them to attending; we will reconfirm availability with your student a few weeks before each competition. In the meantime, please do not hesitate to contact me with any questions, comments, or concerns.

Sincerely,

Cherese Fiorina
Head Coach
